All of our pretzels are fat free, made without oil, shortening, or sweeteners of any kind. And of course there are no preservatives. That's our promise to you. A promise that's true for every variety baked, whether regular or low salt.

Great Pretzels Done Right!

Uncle Jerry's Pretzels are done right, like they've always been done! The pretzel bakery is located in the heart of rural Lancaster County, the home of the Pennsylvania Dutch and the first commercial pretzel bakery in the U.S., founded in 1861.

Uncle Jerry's Pretzels are made from a 100 year old family recipe. Each pretzel is individually hand rolled and twisted, then baked in a stone hearth oven.

Crunchy!

Like any pretzel worth its salt, Uncle Jerry's Pretzels are **amazingly C-R-U-N-C-H-Y!** That fresh crunch that pretzel lovers yearn for comes from a unique baking and drying process.
