

# *We welcome Monte to The Porky Family!*

Wednesday, May 13, 2009

## **Monte Megahed** joined our company

this week for our Deli and Packaged Meat Sales and Field Support Team. Monte brings us many years of retail experience behind the deli counter from customers across all neighborhoods in the tri-state area. His extensive knowledge in deli products, merchandising and overall department management and profitability will allow us to now offer all our retail customers strong deli support.

Monte resides in Jackson Heights, New York. He is happily married to his wife Maria and has a four year old son Alexander and two year old daughter Sophia.

We look forward to having his expertise be a great asset to Porky!

He can be reached in the office at 732-359-9134.
