E.J. Farms Specialty Meats™

BBQ Baby Back Ribs

- Fully cooked and Natural Hickory Smoked for the most authentic taste, bite and flavor available. Smoked – Not Cook-in-a-bag!
- Finish on the grill for an even more authentic, crispy bite during the grill season.
- The vertical label orientation provides our retail partners the ability to maximize their critical case space with new Black backing.
- Our highly visible Heating Options provide today's consumers with many ways to prepare and serve at their convenience.
